1. On 13 September 1949 [] of OSI discussed with this Desk the establishment of a continuing contact relationship for Mr. [] with Mr. Harrison Lillybridge and Mr. Frederick W. In the interim Mr. [] of Economic Branch, ORI, called the undersigned inquiring as to Mr. []'s status in OIT, indicating that his activities might be in conflict with those of Mr. [] as delineated in the Director's letter of 30 August 1949 to the Secretary of Commerce. (This Desk was not aware of the existence of such a letter prior to the above.). 4. In seeking to reconcile the above I was informed by Mr. [] that Mr. [] had prepared a paper for presentation to OIT (ostensibly as a CIA paper) which was at variance with Mr. [] position. Mr. [] does not know whether the paper actually was ever presented to OIT. I asked Mr. [] to provide me a memo setting forth his thoughts as to the above conflict. He has informed me (amiably) that he does not feel a memo is necessary but that if we insist on one it must come through channels.
